THIS DIRECTIVE SHALL SERVE AS THE COMMISSION'S ORDER ON THIS ISSUE.

SUBJECT:

Docket No. 2018-179-T - Application of SouthEast Transportation Services, LLC for a Class C (Non-Emergency) Certificate of Public Convenience and Necessity for Operation of Motor Vehicle Carrier - Staff Presents for Commission Consideration the Request of SouthEast Transportation Services, LLC for a Ninety-Day Extension of Time to Comply with Commission Rules and Regulations.

COMMISSION ACTION:

Grant the Request of SouthEast Transportation Services, LLC for a Ninety-Day Extension of Time until December 9, 2018, to Comply with Commission Rules and Regulations. However, ORS has raised concerns regarding potential administrative issues that may be created by the granting of SouthEast Transportation, LLC's underlying request to transfer its Class C charter Certificate Number 7804-A to a Class C Non-Emergency Certificate with the same number. Namely, ORS is concerned that the proposed transfer may corrupt the tracking data base used by the PSC and the ORS, and may create tracking and other administrative issues. ORS recommends, and I so move, that we hold the underlying transfer request in abeyance for the 90 day period requested by SouthEast, which will allow ORS and the PSC to discuss the technical and administrative issues that may arise from the proposed transfer. In the meantime, I move that the vehicles operated by SouthEast as Class C Charter vehicles be able to maintain the certificate number 7804-A for the period that the request is held in abeyance.
